

The Green Awards 2026

Welcome to this year's **Webinar Vet Green Awards**. Each year, we celebrate individuals, teams and practices who are leading the way in veterinary sustainability and showing how action on welfare, climate and nature is good for business as well as animals, people and planet.

There are 4 categories you can enter:

1. **Green Practice of the Year –** (under 20 employees)
2. **Green Practice of the Year –** (over 20 employees)
3. **Green Individual Veterinary Professional of the Year**
4. **Simon Doherty International Green Award**

All you need to do to enter is fill in our simple [online form](#). You can enter yourself or nominate a colleague.

Tree planting at Ashtree Vets.

Each Award Winner receives either a **free annual subscription to the Webinar Vet** or a **free ticket to the Veterinary Green Discussion Forum** in June – a unique opportunity to cross-pollinate ideas, make connections and progress in One Health with leaders globally across veterinary practice, corporate and independent groups, academia, NGOs and supply chain, set in nature. More details [here](#).

We are proud of our Investor's in the Environment **Green Status** and donate 3% of all revenue from corporate sponsorship sales to external green funds.
